Help the United Way

With the finish line in sight, the United Way of Burlington and Greater Hamilton's campaign organizers are asking the community to help the UW hit its 2009 target.

Burlingtonians have until Feb. 4 to help the UW reach its local goal of \$2.08 million. As of last week, about \$94,700 was needed to hit the target.

Organizers are asking the community to take some time to think about the thousands of people who rely on United Way-funded programs in the Burlington. The Take 20 Challenge urges residents to visit www.uwaybh.ca or call 905-635-3138 and make a \$20 donation to the UW.

The results of the 2009 campaign will be announced at a wrap-up party on Thursday, Feb. 4 at Carmen's Banquet Centre in Hamilton.
